

Get your creative vibes going...

We are looking for student artwork/posters that we can share online that promotes Social Emotional Learning (SEL) for our National SEL Day on Friday, March 26th.

Students are asked to create a unique piece of art/poster that can be shared online through a Google Form upload. The documents will then be shared from Friday, March 26th for one month on the SEL 4 PA website.

Ideas can be anything regarding SEL.

What is Social and Emotional Learning (SEL)?

SEL is an integral part of education and human development. SEL is the process through which all young people and adults acquire and apply the knowledge, skills, and attitudes to develop healthy identities, manage emotions and achieve personal and collective goals, feel and show empathy for others, establish and maintain supportive relationships, and make responsible and caring decisions.

SEL advances educational equity and excellence through authentic school-family-community partnerships to establish learning environments and experiences that feature trusting and collaborative relationships, rigorous and meaningful curriculum and instruction, and ongoing evaluation. SEL can help address various forms of inequity and empower young people and adults to co-create thriving schools and contribute to safe, healthy, and just communities.

Students should only put their **first name** only, grade, and possibly their school on the front corner of their creation. Parents or teachers can help their children/students attach a pdf, scanned image, or document to the SEL4PA link for "Student Submissions for National SEL Day, March 26, 2021" by clicking [here](#). Once the image is shared with SEL4PA, you are agreeing to let an electronic copy of the image to be shared on the internet.

We look forward to see the imaginative ideas that are submitted.

Brought to you in Pennsylvania by SEL4PA and its host, CPSEL.
